Crime Prevention Tips

Larcenies from Autos / Car Theft

Things that can be done to combat auto theft and larcenies from autos include:

- Ø **Installing a car alarm.**
- Ø **Using steering-wheel locking applications like the club etc.**
- Ø **Applications of a hidden kill switch to the ignition system.**
- Ø **Park in a well lit well traveled area if possible.**
- Ø **Always maintain security of vehicle keys.**
- Ø **Do not leave anything of value in your vehicle in plain view.**
- Ø **Always lock your vehicle doors.**
- Ø **Never leave a vehicle unattended while running.**
- Ø **There is a trend of things being stolen from vehicles in the parking lots of fitness centers and fun centers. While going to these places, be extra careful to remove all items of value and secure your vehicle.**

Suspicious Incidents / people

If it appears that someone is up to no-

good, they probably are. Call the Police immediately. We are trained to investigate suspicious circumstances and determine if criminal activity is afoot.

The best security system that you can have is a “Nosy Neighbor.” Encourage your neighbors to be “Nosy,” especially if there is strange activity around your property. Return the favor by keeping a watchful eye on their property and reporting it immediately. This is the basis for the Neighborhood Watch program.

If someone or something seems “suspicious” to you or makes you feel uncomfortable, there is probably good reason for it. Don’t get into the habit of second-guessing your intuition and instinct.

Sexual predators are usually progressive, starting out with public exposure and leading to more risky and dangerous behaviors. You can check the state of Michigan registered sex offenders list at www.mipsor.state.mi.us for offenders that live in your area.

Alcohol / Drugs

Be responsible, if you drink, **DO NOT DRIVE!**

If you serve alcohol, make sure that your guests make it home safely.

Don't serve alcohol to underage children

We all must share the roads, don't risk the lives of others or yourself. It is not a good idea to mix Alcohol with other activities like boating or swimming. If you drink, do it in moderation and don't drive or put yourself and other at risk.

- **DO NOT use illegal drugs**
- **DO NOT drive and endanger the lives of everyone if you have consumed alcohol or drugs.**
- **If you are under 21 years of age, IT IS ILLEGAL to consume or possess alcohol.**

If you have any information on illegal drug activity call our tip line at 248-524-0777.
