Plain clothes officers noticed a white '93 Mazda 626 cruising up and down the parking aisles around the mall lot, passing numerous empty parking spaces, and then leave the area. The 40-year-old male driver from Detroit had no valid license and had a parole absconder warrant stemming from original charges of larceny and fleeing police. Three Nike shirts and three pair of Nike tennis shoes were recovered from inside the car. The driver later admitted stealing the items, but stated he could not remember from which store inside the mall, as he had been inside several. Officers suspect the clothing is from JC Penney and are following-up. The driver stated he wasn't supposed to have the car that day, but claimed he got the keys from a friend and planned on returning it eventually. He was arrested on the warrants and for possession of the stolen car. His 37-year-old male passenger from Detroit had a parole absconder warrant stemming from original charges of unarmed robbery and controlled substances, as well as another outstanding warrant from another jurisdiction. He was arrested. A driver's license in the name of a 40-year-old female from Troy was found in the trunk. She was contacted and advised her wallet was stolen in June and her credit cards had been used to make several fraudulent purchases. While processing the driver in lock-up, one of her credit cards was recovered from his wallet. He stated numerous people have been in the car over the past several days. He stated he found the card in the car and put it in his wallet for "show." An additional charge of retaining the stolen credit card will be sought against him, as well. Macy's, Oakland Mall, 500 W. 14 Mile, 6/30, 2124 hrs.

LPO's contacted plain clothes officers that were working in the area and advised a suspected grab and run retail fraud crew was inside the store. LPO's observed two females removing tags from merchandise and stacking it near the west exit doors. Plain clothes officers began watching the west doors. One of the suspects, later identified as a 24-year-old female from St. Clair Shores exited the store, approached and started up a blue Chevy Silverado pickup that was parked in the first space just outside the doors. Two other females exited the store and got into the vehicle, one carrying a small child. The driver/suspect then exited the truck and ran back into the store. She pulled a large white Macy's shopping bag out of her purse and handed it to the second suspect who had remained inside. The second suspect, who was later identified as an 18-year-old female from Detroit, held it open while the first loaded it up with the merchandise they had stacked near the doors. Once the bag was loaded, both ran out of the store, with the first carrying the bag of stolen merchandise. The second suspect jumped into the back of the pickup, while the first got behind the wheel. Two marked units and a plain clothes officer in a plain car attempted to stop/block the pick up using a boxing maneuver. The pickup made an unsuccessful attempt to flee, striking one of the marked units and the plain car in the process, however it was brought to a stop and the occupants secured without further incident. There were no injuries. The driver still had the bag of stolen merchandise from Macy's on her lap when stopped. \$946.00 of miscellaneous stolen clothing was recovered from the bag. A pair of scissors and a magnetic security ink tag remover were recovered from her purse. She was charged with "Fleeing and Eluding Police," "Retail Fraud," and "Driving on a Suspended License." Her accomplice was arrested and charged with "Retail Fraud." Several garbage bags full of new clothing with the price tags still attached, mostly from Old Navy, were recovered from inside the truck. Officers following-up to ascertain which Old Navy store they might be from and if they are stolen. The two other adult females and child were released from the scene.

Suspicious Incidents / People

If it appears that someone is up to no-good, they probably are. Call the Police immediately. We are trained to investigate suspicious circumstances and determine if criminal activity is afoot.

The best security system that you can have is a "Nosy Neighbor." Encourage your neighbors to be "Nosy," especially if there is strange activity around your property. Return the favor by keeping a watchful eye on their property and reporting it immediately. This is the basis for the Neighborhood Watch program.

If someone or something seems "suspicious" to you or makes you feel uncomfortable, there is probably good reason for it. Don't get into the habit of second-guessing your intuition and instinct.
