Cherokee. A responding officer observed the stolen Wrangler driving south along the outer perimeter road near I-75 toward 14 Mile. As the patrol unit came into view, the Wrangler began to flea. It drove through a fence near 14 Mile and got stuck in the mud. It freed itself, drove across the ditch, and entered N/B I-75 at 14 Mile. The officer did not pursue, as other officers were responding to the freeway. A plain clothes officer driving a plain car and two uniformed officers driving marked units located the stolen Wrangler on N/B I-75 near Wattles and attempted to box it in. As they did the suspect deliberately struck the plain clothes officer's car and one of the marked units in an attempt to escape. The second marked unit was also struck during the box attempt, as were two cars driven by private citizens as the suspect continued his efforts to escape. The officers were able to contain the suspect vehicle and with the assistance of other arriving officers took the 18-year-old male suspect from Ferndale into custody. He had a tether on his left ankle apparently from a recent auto theft and fleeing and eluding case. Two screwdrivers were recovered from his pocket at the time of his arrest. The two officers in the cars the suspect deliberately crashed sustained minor injuries for which they were treated and released at a local medical facility. The '98 Jeep Cherokee was last seen S/B on I-75 from 14 Mile. It turned out to have been stolen from Madison Hgts. earlier in the day.
