Crime Alert for period ending June 26, 2009

Auto/Vehicle Fire:

Austin Morgan Company, 1261 Wheaton, 06/24/09, 5:06 am: Officers were dispatched to a fire at this location. The source of the fire was a pickup truck with a utility trailer attached. It appears that unknown suspect(s) attempted to steal truck, drove it into fence, and abandoned it. Two other vehicles were damaged or ransacked in the same fenced lot.

Armed Robbery:

Chase Bank, 260 John R, 06/22/09, 11:11 am: On June 22, at 11:11 a.m., the Troy Police Department received a report of an armed robbery having just occurred at the Chase Bank, 260 John R, in the Oakland Plaza. Witnesses described the suspect as a white male, 30's, 5' 8" tall, wearing a brown polo shirt and blue jeans. They told responding Officers that the suspect showed a note to a teller to announce the robbery. The suspect left the bank with the stolen currency and his note. He fled N/B on John R in an Oldsmobile Alero, 4 door, gold in color. Witnesses reported the suspect vehicle's license plate was covered with a piece of white paper. However, they could see that it was a Michigan license plate, with two of the digits visible.

There was no weapon seen. There were no injuries.

The suspect in this robbery is also a suspect in a West Bloomfield robbery on June 17. Plain clothes Police Officers from the Farmington Hills, Novi, West Bloomfield and Troy Police Departments, and Oakland County Sheriff Department initiated surveillance at locations the suspect was known to frequent. At approximately 2:00 p.m. on June 22, Officers from Farmington

If someone violates a Personal Protection Order that you have, contact the Police immediately. If the Officers arrive and the person is still there, they may be able to take immediate enforcement action.

If you are receiving harassing, threatening, or annoying telephone calls, you should make a police report. After making a report, the SBC Annoyance Call Bureau will initiate an investigation. They will require a case number, the dates and approximate times of the calls, and some contact information from you. It is a good idea to begin keeping a log of these calls as soon as they begin.

Larcenies from Autos / Car Theft

Things that can be done to combat auto theft and larcenies from autos include:

- Ø **Installing a car alarm.**
- Ø **Using steering-wheel locking applications like the club etc.**
- Ø **Applications of a hidden kill switch to the ignition system.**
- Ø **Park in a well lit well traveled area if possible.**
- Ø **Always maintain security of vehicle keys.**
- Ø ***Do not leave anything of value in***

Retail Fraud:

your vehicle in plain view.

Ø Always lock your vehicle doors.

Ø Never leave a vehicle unattended while running.

Ø There is a trend of things being stolen from vehicles in the parking lots of fitness centers and fun centers. While going to these places, be extra careful to remove all items of value and secure your vehicle.

Fraud Prevention:

Ø Remember that nothing that is worth anything is free.

Ø If someone that you do not know offers to do you a favor, they probably have an ulterior motive.

Ø Never give any personal information out to an unknown source over the phone or Internet.

(If someone asks for personal information, ask to speak to his or her supervisor and inform him or her you will be calling the Police to make a fraud report.)

No reputable business will call you or email you for this information!!!

Ø If you receive a phone call or email telling you that you have won something that you

Miscellaneous Information:

Madeira Woodworking Company, 2707 American, 06/19, 12:05 PM: An Officer observed a dump truck leaving the parking lot of the business. He also observed a large pile of trash in the parking lot. He stopped the driver for the dumping incident. The 60-year-old male resident of Detroit is employed by a Detroit scrap metal recycling company. The driver admitted to dumping the trash in the parking lot. He explained that the business owes his employer money. He was instructed to recover a dumpster belonging to his employer

did not apply for, it is more than likely a fraud.

Ø No legitimate organization will ask for any money or a Credit Card number in order to claim a prize

Ø Protect yourself against identity theft by shredding all documents and safe guarding your account numbers, social security numbers and credit card numbers.

Ø Always maintain your credit cards and secure the credit card numbers.

Ø If you suspect that you have been the victim of credit fraud, call your credit card company and have them run a query of your charges.

Ø Never give your bank account numbers over the phone. Especially if unsolicited!

Identity theft continues to be the fastest growing crime in the world, and the city of Troy is no exception. We continually get reports of identity theft and fraud on a regular basis.

While it may not be totally avoidable, detecting the early signs of identity theft is one of the best ways to avoid extensive losses and damage to your credit history.

If your wallet/purse etc. gets stolen, cancel all stolen credit and ATM cards immediately.

Checking your credit history regularly is a great

Miscellaneous Information:

Teen drivers have a unique opportunity to learn advanced driving skills with hands-on training provided by the Michigan State Police Precision Driving Unit - at no cost.

This partnership with the Michigan Department of State Police, Office of Highway Safety Planning and the Driving Skills for Life program is intended to make teens better and safer drivers. This innovative program is free and is sponsored by the Ford Motor Company Fund and the Governors Highway Safety Association.

Teens will be behind the wheel to learn skid control, evasive maneuvering, controlled braking and off -road recovery. Other activities include vehicle maintenance (learning how to change a fl at tire and check fl uid levels); drunk driving simulation, and a safety belt convincer.

Driving Skills for Life (DSFL) was established in 2003 by Ford Motor Company Fund, the Governors Highway Safety Association, and a panel of safety experts to teach newly licensed teens the necessary skills for safe driving beyond what they learn in standard driver education programs.

DSFL helps young drivers improve their skills in four key areas that are critical factors in more than 60% of vehicle crashes including: hazard recognition, vehicle handling, speed management, space management.
